About N.H.K. Welfare Foundation

*Sk. Khairul Islam
Secretary
N.H.K. Welfare Foundation*

The trust is dedicated to the memory of late Sk. Nekimuddin and Habiban Nessa. Few committed persons all sharing the same concern to the cause of education and community development, under the leadership and guidance of Haji Sk Kazem Ali put their mind together to form the N.H.K Welfare Foundation.

N.H.K Welfare Foundation is a Non-profit making organization duly registered under Indian Trust Act 1882 vide of West Bengal Book No. IV volume No. 64 page 149 to 172 being No. 3545 in the year 2003 dated 11.09.2003. It situated at Tamluk, the Head Quarter of Purba Medinipur District. The place is historically important and played significant role in the freedom movement of the country.

After 77 years of independence of India, there is no fully organized effort to educate the children of the minority and mostly backward community specially the girls. Today more than 200 millions of India's population come from these extremely poor community and vast majority still lacks housing, purified water, medical care, education and employment prospect. To uplift these backward communities particularly girls, Haji Sk Kazem Ali still at the age of 62 had been working for society. His main motto and objectives were to serve mankind and bring about beautiful metamorphosis in the place. So, following his great goal ideals of life this Trust dedicated itself to the cause of local people and to those who are helpless downtrodden and deprived. Now by his noble work the president of the Trust Sk Kazem Ali has become renewed personality among all the poor and deprived people.

On the 12th February, 2006 this trust established an English Medium School in the name of Tamralipta Public School to educate the children in such a way that they could find themselves globally competent. At there is no such English Medium School for the local people that can make them ready to the people of Tamluk for fulfilling their need and aspiration this institution was inaugurated by Prof. Sadhan Chandra Roy, Ex-Sheriff of Kolkata Mahanagar. This is aiming at building a modern education centre of excellence providing value based education of International standard and with a motto to march ahead to build Tamluk to translate the local people's dream of attending greatness in tune with their glorious past.

N.H.K Welfare Foundation Trust also established Tamralipta Institute of Management & Technology affiliated to Maulana Abul Kalam Azad University Of Technology (Formerly WBUT) Govt. of West Bengal which was inaugurated by Dr.Abdus Sattar, Minister of State, Dept. of Minority Development and Welfare and Madrashah Education, Govt. of West Bengal. As there is no Business Management and Technology Institute within the radius of 30 kilometers of Tamluk the urgency of such an Institution has cropped up in the mind seer, Haji Sk. Kazem Ali. There is a number of H.S. Schools and the output of such Institution find no way to receive Management Education. They are being deprived of the scope to complete in the days of unemployment as well as participate in our community development project. The Trust not only believes that students become powerful by knowledge but also they become responsible Citizens if they have a scope of understanding the human conditions.

Other Social Activities

The Trust also organizes seminars and workshop for the local people for helping them to acquire enormous knowledge about various aspects. Not only the general people but also the eminent personalities from the different places come to encourage them and also take part in those events. The trust also organizes blood donation camp in every year and these are aimed to develop awareness among the students and general people about the importance of social service. The trust also take part in various social activities like Health Awareness Programme, consumer Awareness Programme, Swaccha Bharat Avijan, Traffic Safety Awareness Programme, Save water Programme and many more.

Future scope :-

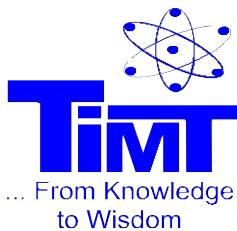

This foundation has built an educational complex which is growing every day with new projects and prospects. So, all the students of this compels are going to reach their fullest flowering as the committee of welfare would always stand beside and behind them to boast their courage and support them to build their dream career.

Training & Placement Cell

TIMT has been consistently setting records of On-Campus & Off-Campus placements amongst private organizations in India. Producing graduates & Post graduates who are well equipped to handle the working norms of the Industry and Commerce in the public and the private sectors has been the primary aim of the Institute.

Training & Placement cell organizes vocational training for students at different industrial and corporate establishments for firsthand experience in professional environment and corporate culture.

The cell extends personal and group counseling to students in career selection and motivation. Personal care is taken to attend every individual's problems.

The cell also conducts special grooming and preparatory classes directly through workshops, aptitude tests, mock interviews, and group discussion interactive sessions with industry professionals and seminars to enhance our students' chances in a competitive job market.

We have a highly developed training and placement cell inside our campus. Our training and placement cell is actively functioning for placement of students.
